SHA students are expected to submit a formal petition request for consideration of academic matters that are not routine, to request an exception to standard policy, or deviation from a curriculum requirement. The petition form may be obtained online at https://sha.cornell.edu/current-students/undergraduate/forms.html, or in hard copy in the Office of Student Services in 180 Statler Hall.

Petitions are required for, but are not limited to, such purposes and requests as:

- a change to expected degree date
- consideration for approval of a voluntary/personal leave of absence
- adding or dropping courses after the University deadline (except for 1st and 2nd year core – these must be discussed with an OSS Advisor)
- a course substitution or alteration in degree requirement

The petition should include convincing evidence that an exception is warranted and outline specific details of the request. Please include documentation that may support the request. Students are expected to meet with an OSS advisor or their faculty advisor to discuss prior to submission.

Please allow at least 7-10 days for the review and decision process. Students will be notified via email of the decision.
